Dear Conference Participants,

We are truly excited to welcome you to this incredible training event in Huntington, on the campus of Marshall University. This year, we offer a training for behavioral health providers of all professions, in an effort to combat the substance abuse problems in our state. Indeed, we are stronger together.

We are so grateful to Dr. Lisa Najavitz for traveling to West Virginia for such an important cause. As evident in her biography and credentials, Dr. Najavitz is a world renowned expert in treating trauma and substance related disorders, as well as the creator of the Seeking Safety model of treatment.

At the conference, we hope that you will come to any WVPA Board Member with concerns. Special thanks to our conference sponsors, who helped WVPA to offer this training in WV, where it is needed the most.

Sincerely,

Grievance Procedures

The West Virginia Psychological Association (WVPA) is fully committed to conducting all activities in strict conformance with the American Psychological Association's Ethical Principles of Psychologists.

When a participant, either orally or in written format, files a grievance and expects action on the complaint, the following actions will be taken.

1. If the grievance concerns a speaker, the content presented by the speaker, or the style of presentation, the individual filing the grievance will be asked to put his/her comments in written format. The CE Chair will then pass on the comments to the speaker, assuring the confidentiality of the grieved individual.
2. If the grievance concerns a workshop offering, its content, level of presentation, or the facilities in which the workshop was offered, the convention chair will mediate and will be the final arbitrator. If the participant requests action, the convention chair will:
 - a. attempt to move the participant to another workshop or
 - b. provide a credit for a subsequent year's workshop or
 - c. provide a partial or full refund of the workshop fee.

Actions 2b and 2c will require a written note, documenting the grievance, for record keeping purposes.

The note need not be signed by the grieved individual.

3. If the grievance concerns a WVPA CE program, in a specific regard, the CE Chair will attempt to arbitrate. Please contact WVPA Executive Director Jocelyn Burum, Psy.D. at info@wvpsychology.org to submit a complaint, or if you have additional questions.
